Subject: Shelby County Retirement System – Plan C

Dear Waverly:

Mercer has been asked to review a proposed resolution to Plan C. The resolution would add a cost of living adjustment to pensions payable to Dependent Children.

This resolution will result in higher benefits paid to Dependent Children. However, the adoption of this resolution will not have a material actuarial impact on the Retirement System due to the relatively small number of Dependent Children in Plan C who would be eligible for this benefit.

I, Karen W. Buckner, meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained in this letter.

Sincerely,

A handwritten signature in cursive script that reads 'Karen W. Buckner'.

Karen W. Buckner, A.S.A., F.C.A.
